On 21 May, the Ministry of Education Culture and Sports of Spain organized the conference **Keys of UNE ISO 30300 for records professionals**.

The conference was a success with over 120 professionals in the audience. It was presented by the Deputy Director of State Archives, **Severiano Hernandez**, who stressed the importance of these standards in the field of records management and its importance in the public sector and implementation of e-goverment.

The presentations were made by **Jose Angel Valderrama** AENOR, **Montserrat García-Alsina**
from
the Universistat Oberta de Catalunya
and
Carlota
Bustelo
Ruesta,
Independent Consultant
.
Presentations
can be

.

Begoña Bartres, FESABID Manager, presented the Training Workshop organized by AENOR/ FESABID
for
the month of
June 2012.

Finally **Beatriz Franco**, from State Archives, opened a panel discussion in which all participants answered
questions from a very active
audience
.
Several
of these
twit
the meeting with the
hashtag
#
iso30300profesionales
.

A compilation of the issues on the discussion panel were:

- Benefits of certification. Credibility as a key
- Relationship between ISO 15489 and ISO 30300
- International implementation of these standards
- Relationship with the Technical Standards for Interoperability (NTI) of the Spanish government
- Conditions for the profile of the auditor
- The possibility of implementing the standard in a small organization

- The systemic vision which links diffrenet professionals within the organization
