

At the end of May 2013 and within the [Foro Mundial de la Calidad](#) , held in Veracruz México, [Keyla Soteldo](#) was the facilitator of the workshop "Records management and its alignment with Operation", where ISO 30300 series was presented to an interested audience.

Keyla ask me to give the workshop together, but it was imposible to travel to Mexico in these dates, so we decided to make a video as an introduction:
